Donate Earn \$TBHF. Enter the Raffle
Each \$1 donation mints 1 \$TBHF token. Every 222,222 tokens triggers a raffle.

Donate & Win

...

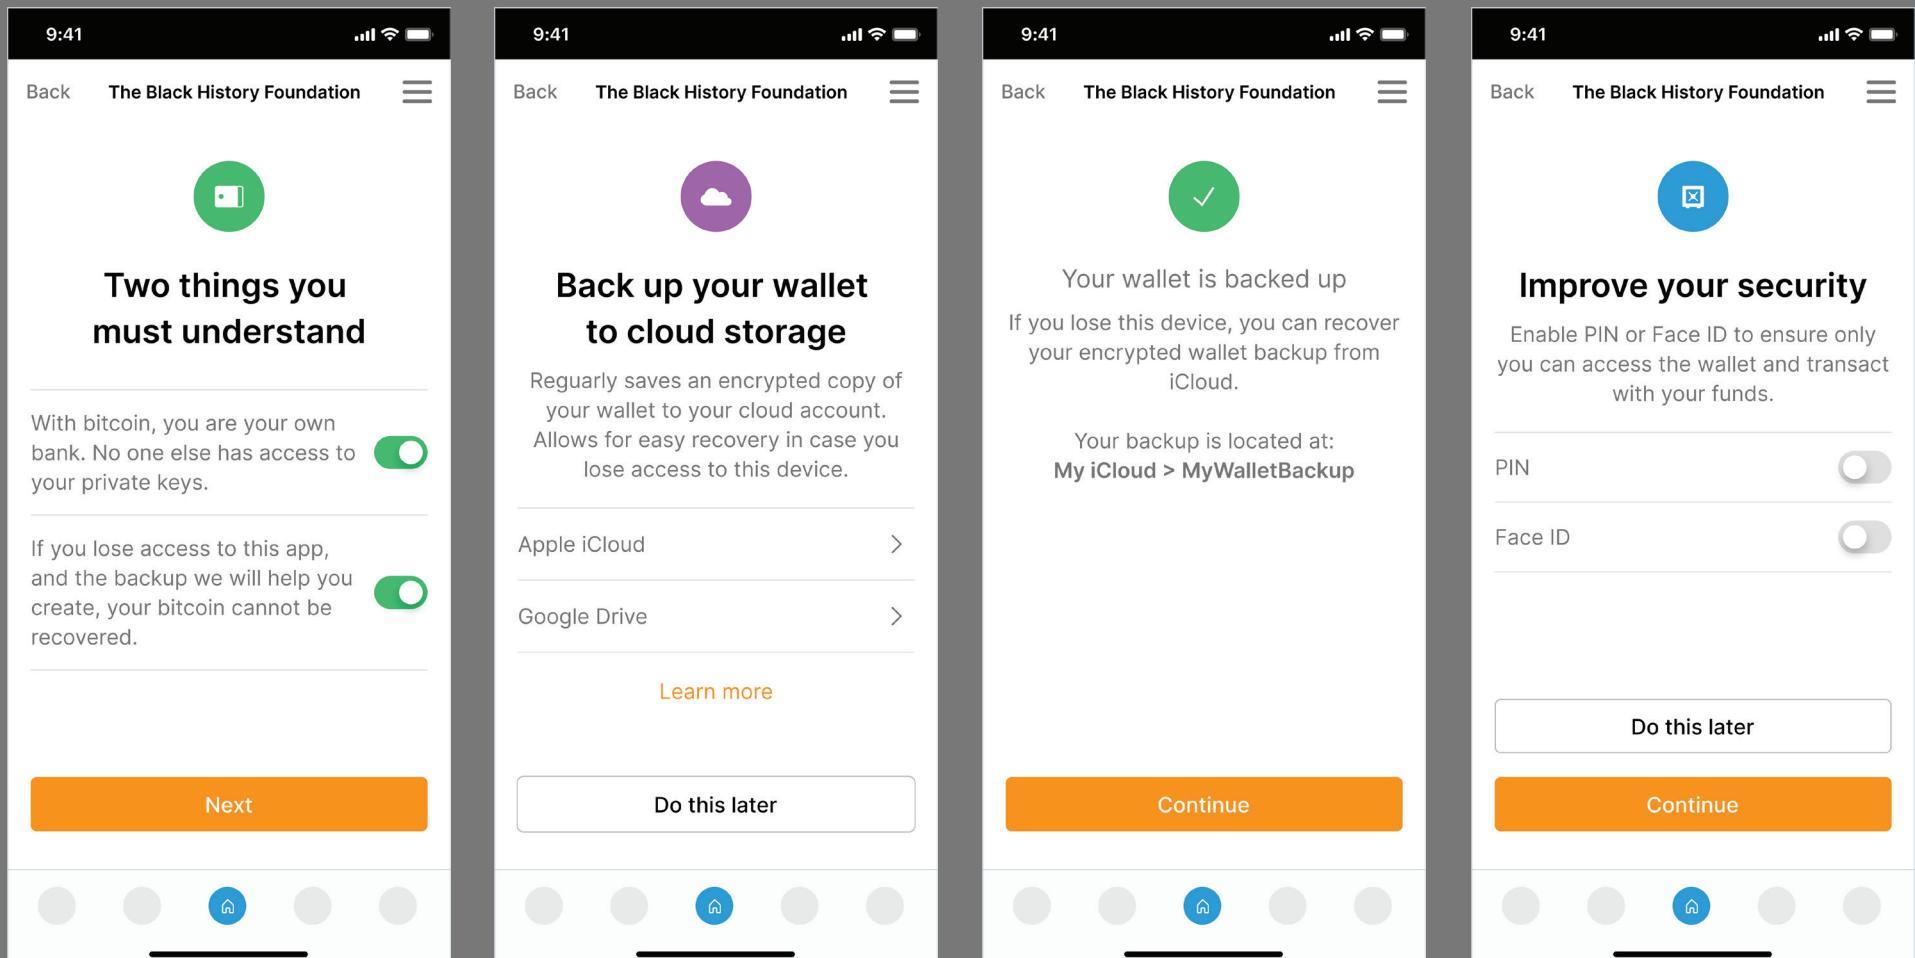

Note: The 1st screen is the home page with all of the icons that the user can use to navigate the app. The other 3 screens will provide the user with information about TBHF's mission, how to enter the raffle and your Donation options.

Bitcoin app design UI/UX Design (Donate & Bitcoin wallet setup pages)

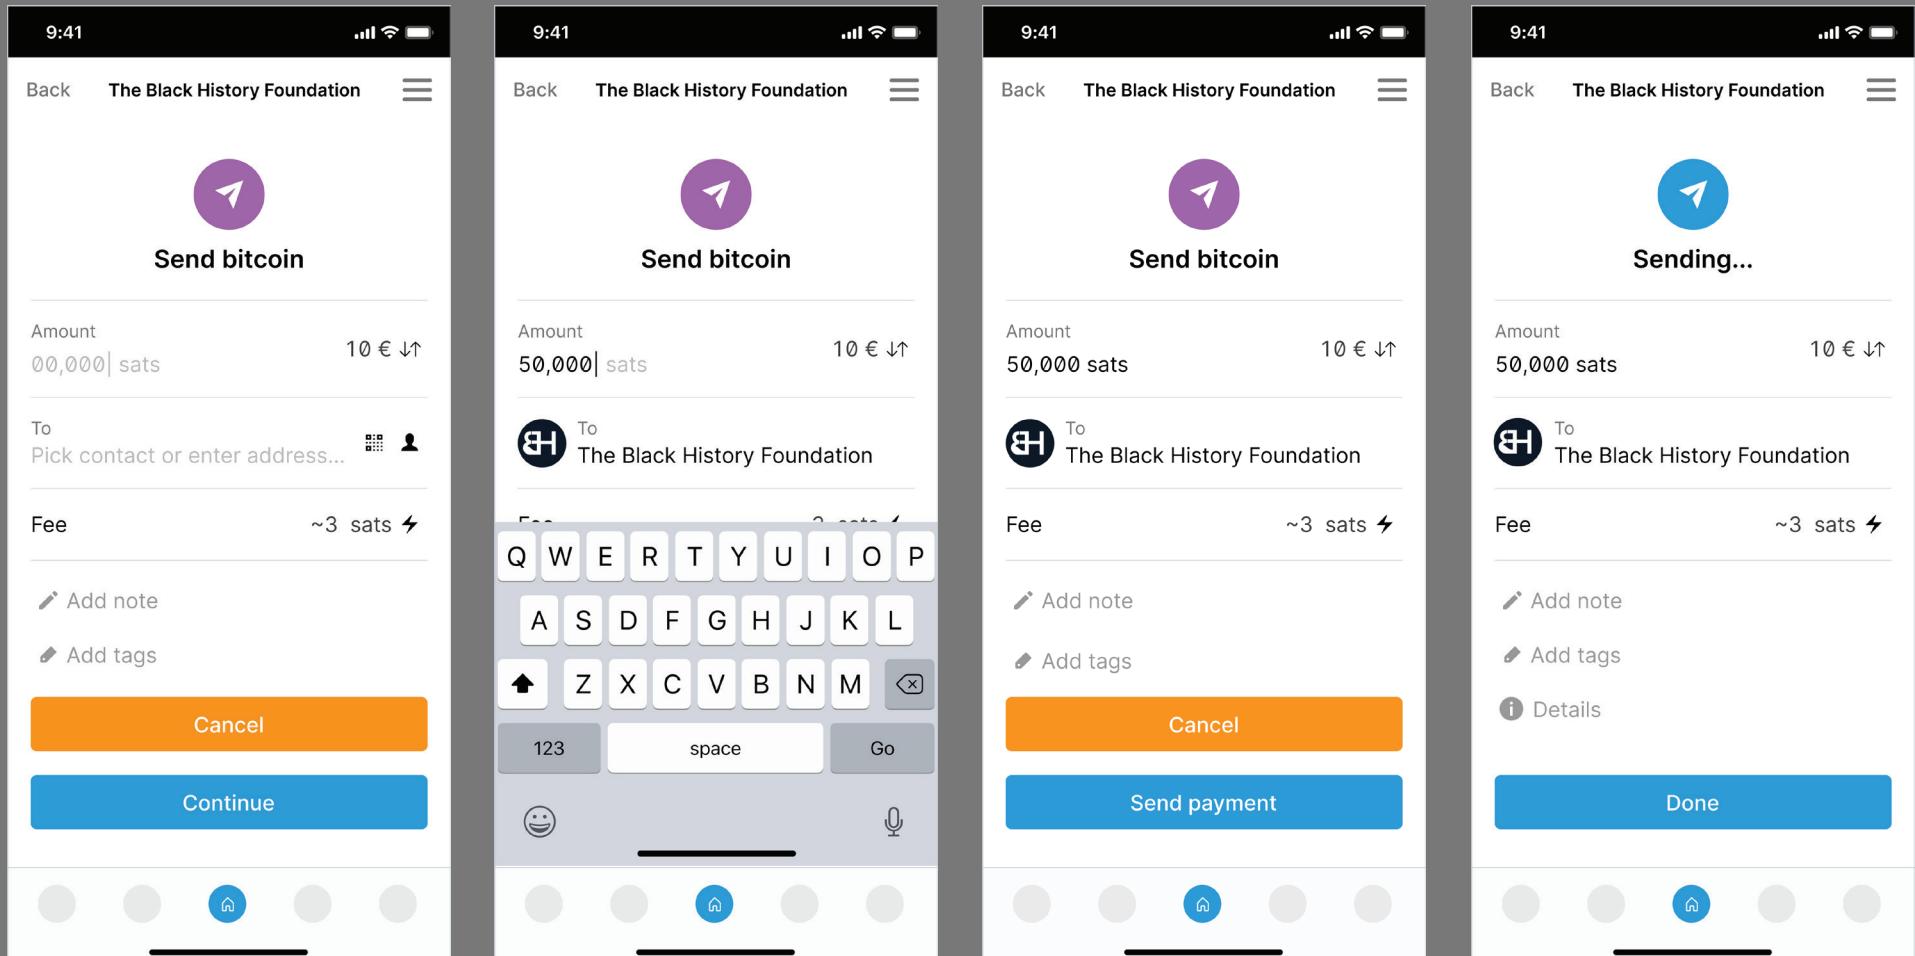

Note: The first screen is the donation page, and the 3 CTA's will allow the user 3 options. CTA 1 - the user will be able to create a Bitcoin Wallet, CTA 2 - will allow the user to pay with their Debit or Credit card and CTA 3 - will allow the user to pay with Crypto.

Bitcoin app design UI/UX Design (Bitcoin wallet setup pages)

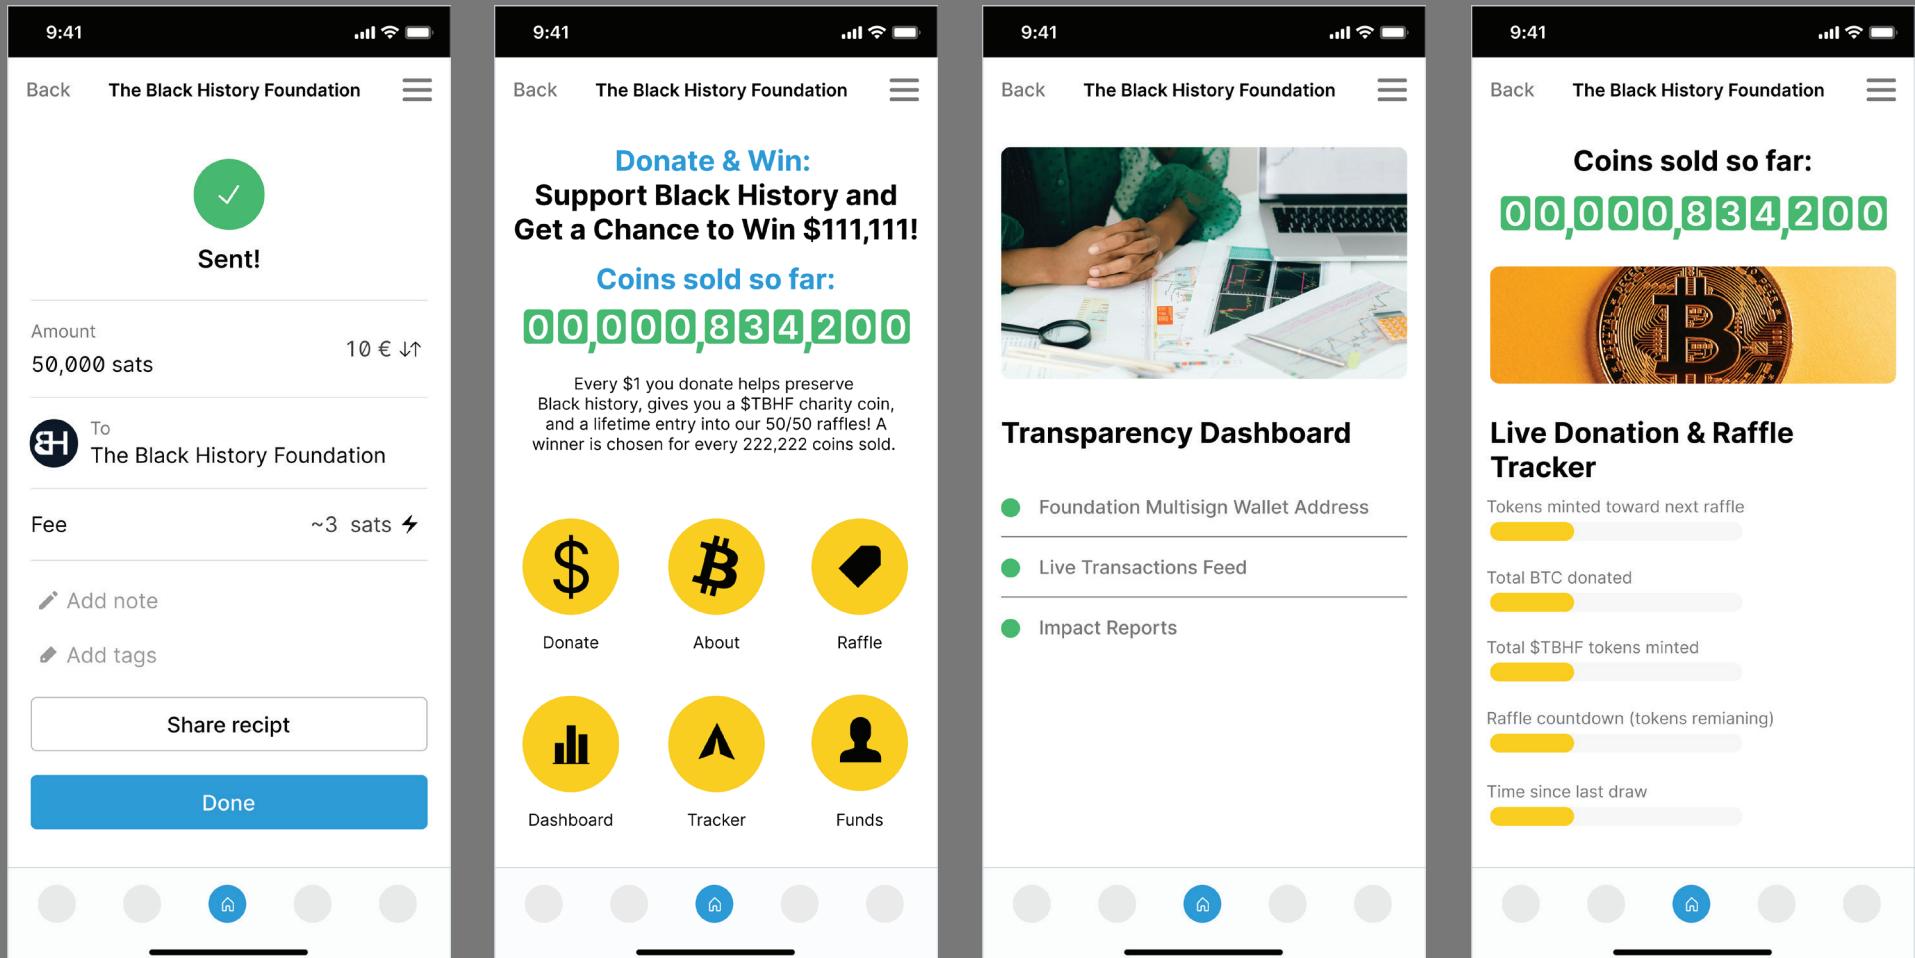

Note: This is a walk through of the Bitcoin wallet process when setting it up.

Bitcoin app design UI/UX Design (Bitcoin wallet setup pages)

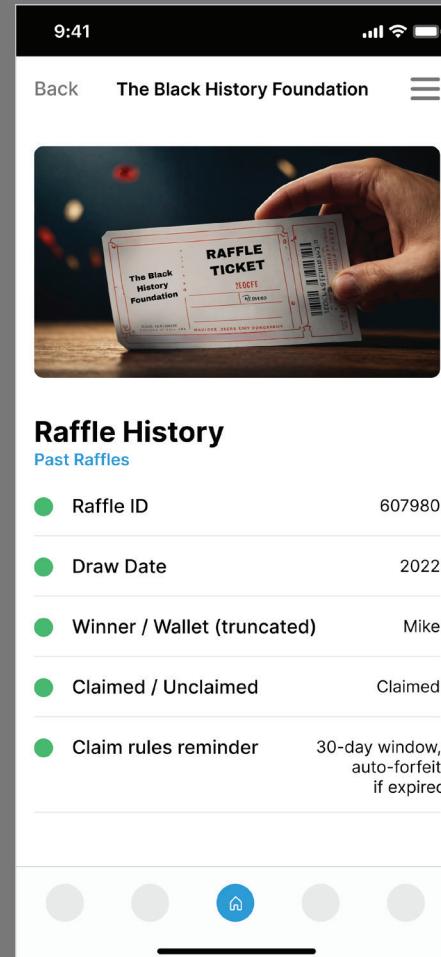

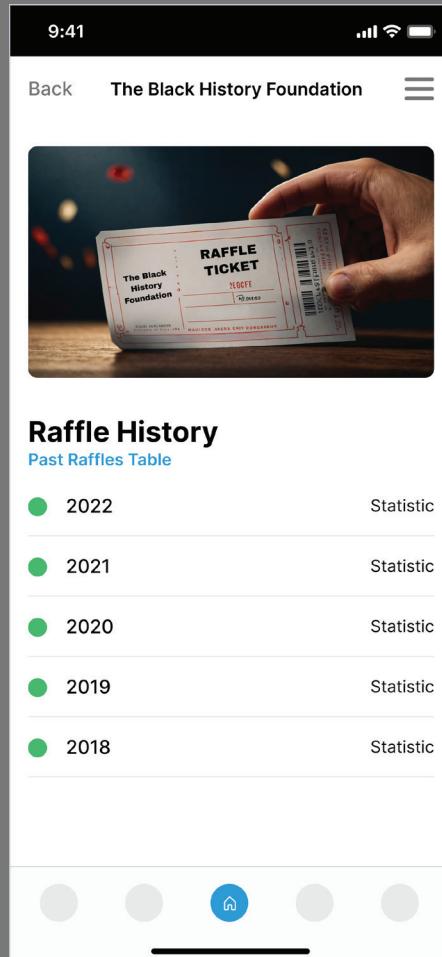

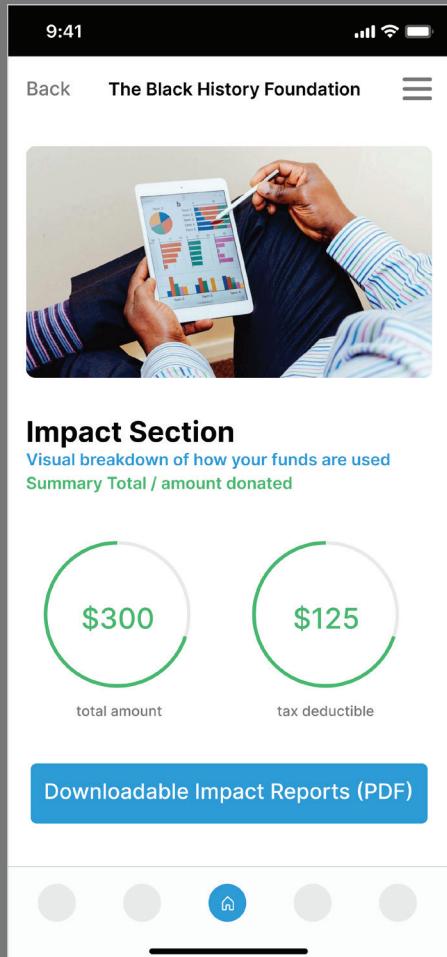

Note: This is a walk through of the Bitcoin wallet process when setting up Bitcoin funds up to be send to TBHF.

Bitcoin app design UI/UX Design (Bitcoin, Home, Dashboard & Tracker Pages)

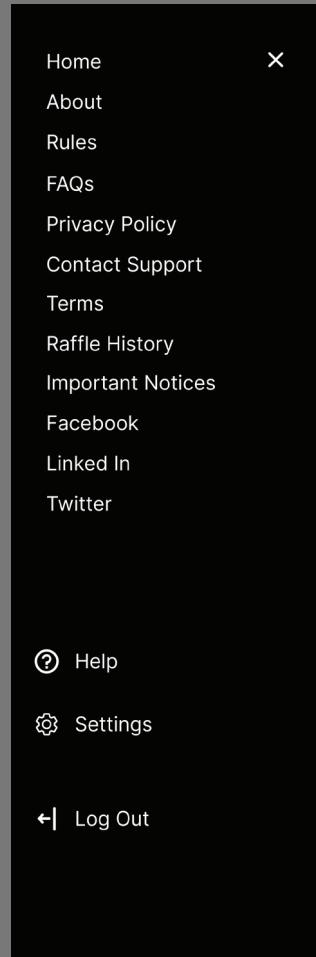

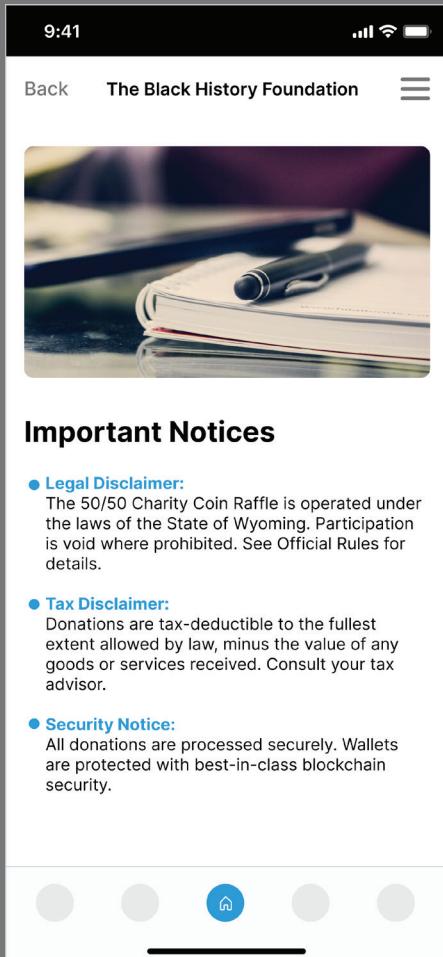

Note: Once a user selects “done” it will take them back to TBHF’s home page in the app, with all 6 icons on the page. The Transparency Dashboard will have information about the users donation and the Tracker Page will be animated to show case how much money has be donated to TBHF.

Bitcoin app design UI/UX Design (Impact & Raffle History Pages)

Note: The Impact Section, will show case how much money a user has donated and they can download a Impact report as well. The Raffle History page will show case past raffle winners and information from that year when selected.

Bitcoin app design UI/UX Design (Impact, Notices & Drop Down Menu Pages)

Note: The Important Notices page will inform a user about any legal questions they may have and the drop down menu has various links to navigate within the app and also outside of the app that will take them to TBHF's social media pages.
